

*"Beyond Babel* is a remarkably helpful survey of the languages pertinent to the study of Hebrew written by the most knowledgeable scholars in the field. The essays are up-to-date, informative, and clearly presented; they are thorough without being overwhelming. This collection should become required reading, not only for advanced students of Hebrew but also for scholars working in other Semitic languages."

—C. L. Scow, Henry Snyder Gehman Professor of Old Testament  
Language and Literature, Princeton Theological Seminary,  
Princeton, New Jersey
