

TABLE OF CONTENTS

List of Tables.....	xi
List of Figures.....	xii
List of Photos.....	xiii
Preface.....	xiv
Introduction.....	xv
Overview.....	xxi
Acronyms and Abbreviations.....	xxiii
Chapter One.....	1
Cyclones and the Policy Responses	
1.1 Tropical Cyclones in the South Pacific.....	1
1.2 Fiji and Tonga.....	5
1.3 Policy Responses and Regional Frameworks.....	13
1.4 Conclusion.....	18
Chapter Two.....	19
Key Research Themes	
2.1 Resilience and Adaptive Capacity.....	19
2.2 Stakeholders and Relationships.....	27
2.3 Contexts and Interactions.....	33
2.4 Key Research Questions.....	39
2.5 Conclusion.....	40
Chapter Three.....	41
The Study	
3.1 Research Approach and Fieldwork Sites.....	41
3.2 Procedure.....	42
3.4 Cross-Cultural Research: <i>Talanoa</i> in The Pacific.....	46
3.5 Participants.....	54

3.6 Doing Fieldwork in Fiji with Your Family	55
3.7 Conclusion	64
Chapter Four.....	66
Experiences of Disasters	
4.1 Thinking about Cyclones	66
4.2 Food Preparation.....	67
4.3 Safe Place to Go.....	68
4.4 Preparation and Complacency	71
4.5 Gender Issues	73
4.6 Faith and Religion.....	77
4.7 Conclusion	80
Chapter Five	82
Warning Signs of Cyclones	
5.1 The Importance of Warning.....	82
5.2 Descriptions of the Signs	84
5.3 Regional and Local Signs	90
5.4 Limitations of The Traditional Signs	91
5.5 The Future of Traditional Knowledge.....	91
5.6 Conclusion	93
Chapter Six	95
Disaster Aid and Relief	
6.1 Examples of Aid Provided	95
6.2 Corruption/Favouritism.....	99
6.3 Crime	101
6.4 Prioritisation of Aid	103
6.5 Differences between Ami and Tomas Responses	106
6.6 Conclusion	107
Chapter Seven.....	109
Governance and Co-Ordination	
7.1 National Disaster Committees	110
7.2 Governance	111
7.3 Co-Ordination Issues	116
7.4 <i>Turaga Ni Koro</i> /Town Officer Role	122
7.5 Conclusion	126

Chapter Eight.....	128
Expectations and Dependency	
8.1 Expectations of Aid.....	128
8.2 Dependence.....	133
8.3 Conclusion	137
Chapter Nine.....	138
Issues of Remoteness	
9.1 How Long for Help to Arrive	139
9.2 Isolated Islands	140
9.3 Community Cohesion as Social Capital.....	143
9.4 Community Action.....	146
9.5 Conclusion	148
Chapter Ten	150
Perceptions of Changes Needed for the Future	
10.1 Perceptions of Aid Availability in Future	150
10.2 Perceptions of Relocation	154
10.3 Perceptions of Preparation and Education as Resilience.....	157
10.4 Perceptions of Climate Change Adaptation Options.....	159
10.5 Conclusion	166
Chapter Eleven	167
Issues of Adaptive Capacity of Disaster Response Systems in Fiji and Tonga	
11.1 The Move towards Preparation and Prevention	167
11.2 Expectations.....	174
11.3 Governance and Co-ordination Issues	179
11.4 Issues of Remoteness	182
11.5 'Development' and 'Progress'	187
11.6 Alignment of Perspectives	190
11.7 Conclusion	191
Chapter Twelve	193
Conclusions	
12.1 Outcomes from the Research.....	193
12.2 Changes for the Future.....	198
12.3 Transformations	203
12.4 Lasting Impressions	204
12.5 Concluding Thoughts.....	206
