## Foreword

<b>1. Introduction</b> .....	<b>1</b>
<b>2. Localities and Research History of Early Vascular Plants in Yunnan Province</b> .....	<b>5</b>
2.1. Localities .....	5
2.2. Previous studies and main achievements .....	8
2.2.1. The Xujiachong flora in Qujing .....	8
2.2.2. The Posongchong flora in Wenshan .....	10
<b>3. Stratigraphy and Sedimentary Environments</b> .....	<b>14</b>
3.1. Geological setting .....	14
3.1.1. Geological setting of Yunnan Province .....	14
3.1.2. Lower Devonian strata in the Wenshan area .....	16
3.1.3. Lower Devonian Posongchong Formation .....	16
3.1.4. Geological age of the Posongchong Formation .....	23
3.2. Posongchong Formation at the Zhichang section .....	24
3.2.1. Description of the Posongchong Formation .....	24
3.2.2. Simplified description of the Posongchong Formation at the Zhichang section .....	27
3.3. Deposition, plant taphonomy, and the Early Devonian terrestrial environment .....	28
3.3.1. Sedimentary environment and fossil preservation within eighth layer of Posongchong Formation at the Zhichang section .....	30
3.3.2. Sedimentary environment and fossil preservation within sixth layer of Posongchong Formation at the Changputang section .....	34
3.3.3. Discussion .....	37
3.3.4. Concluding remarks .....	39
<b>4. Systematic Description</b> .....	<b>43</b>
4.1. Classification of early vascular plants from the Posongchong flora .....	43
4.1.1. Class Horneophytopsida and <i>Catenalis</i> , Class 1 Incertae sedis .....	46
4.1.2. Class Rhyniopsida, rhynialeans, cooksonioids and renalioids .....	47
4.1.3. Class Zosterophyllopsida .....	49
4.1.4. Class Lycopsidea .....	54
4.1.5. Class Barinophytopsida .....	55
4.1.6. <i>Adoketophyton</i> , Class 2 Incertae sedis .....	55
4.1.7. <i>Stachyophyton</i> , Class 3 Incertae sedis .....	56
4.1.8. Class Eophyllophytopsida class nov. ....	57
4.1.9. Class Pteropsida (Filicopsida, Ferns) .....	58
4.1.10. Class Sphenopsida .....	61
4.1.11. Class Progymnospermopsida .....	61
4.1.12. Class Pteridospermopsida .....	62
4.2. Description of the Posongchong plants .....	63

4.2.1. Genus <i>Catenalis</i> Hao et Beck, 1991a .....	63
4.2.2. Genus <i>Demersatheca</i> Li C.S. et Edwards, 1996 .....	68
4.2.3. Genus <i>Huia</i> Geng, 1985 .....	70
4.2.4. Genus <i>Gumuia</i> Hao, 1989b .....	72
4.2.5. Genus <i>Hicklingia</i> Kidston et Lang, 1923 .....	78
4.2.6. Genus <i>Ramoforis</i> Hao et Xue, 2011 .....	80
4.2.7. Genus <i>Zosterophyllum</i> Penhallow, 1892 .....	85
4.2.8. Genus <i>Wenshania</i> Zhu et Kenrick, 1999 .....	103
4.2.9. Genus <i>Distichophytum</i> Mägdefrau, 1938 .....	105
4.2.10. Genus <i>Oricilla</i> Gensel, 1982b .....	108
4.2.11. Genus <i>Discalis</i> Hao, 1989a .....	110
4.2.12. Genus <i>Guangnania</i> Wang et Hao, 2002 .....	115
4.2.13. Genus <i>Yunia</i> Hao et Beck, 1991b .....	119
4.2.14. Genus <i>Baragwanathia</i> Lang et Cookson, 1935 .....	125
4.2.15. Genus <i>Halleophyton</i> Li et Edwards, 1997 .....	127
4.2.16. Genus <i>Hueberia</i> Yang, Li et Edwards, 2009 .....	131
4.2.17. Genus <i>Zhenglia</i> Hao, Wang D.M., Wang Q. et Xue, 2006 .....	132
4.2.18. Genus <i>Dibracophyton</i> Hao, Xue, Zhu et Wang, 2012 .....	136
4.2.19. Genus <i>Adoketophyton</i> Li et Edwards, 1992 .....	139
4.2.20. Genus <i>Stachyophyton</i> Geng, 1983 .....	150
4.2.21. Genus <i>Eophyllophyton</i> Hao, 1988, emend. Hao et Beck, 1993 .....	153
4.2.22. Genus <i>Pauthecophyton</i> Xue, Hao, Zhu et Wang, 2012 .....	161
4.2.23. Genus <i>Psilophyton</i> Dawson, 1859, emend. Banks, Leclercq et Hueber, 1975... ..	163
4.2.24. Genus <i>Estinnophyton</i> Fairon-Demaret, 1978 .....	167
4.2.25. Genus <i>Cervicornus</i> Li et Hueber, 2000 .....	171
4.2.26. Genus <i>Hedeia</i> Cookson, 1935 .....	172
4.2.27. Genus <i>Polythecophyton</i> Hao, Gensel et Wang, 2001 .....	174
4.2.28. Genus <i>Celatheca</i> Hao et Gensel, 1995 .....	177

<b>5. Composition of the Posongchong Flora and Comparison of the Posongchong Flora with Other Coeval Floras.....</b>	<b>183</b>
5.1. Composition and characteristics of the Posongchong flora .....	183
5.2. Phytogeographic divisions during the latest Silurian to Early Devonian period .....	188
5.2.1. Historical retrospect .....	188
5.2.2. Recent advances .....	189
5.3. Comparison of the Posongchong flora with other coeval (and roughly coeval) floras .....	191
5.3.1. Coeval floras in the northeastern Gondwanan phytogeographic unit .....	191
5.3.2. Coeval floras in the Laurussian phytogeographic unit (North America and western Europe) .....	193
5.4. Preliminary summary of Early Devonian floristic characteristics .....	200
5.4.1. Early Devonian floristic characteristics of the northeastern Gondwanan phytogeographic unit .....	200
5.4.2. Early Devonian floristic characteristics of the Laurussian phytogeographic unit (North America and western Europe) .....	203
<b>6. A Cladistic Analysis of Phylogeny of the Posongchong Plants .....</b>	<b>205</b>
6.1. Choice of taxa .....	207
