This Annual Book was first published in 1973 to give an overview of spatial designs created in the past year. This issue marks the 48th edition. The book, which was compiled with the leadership of the KU/KAN Design Organization, is composed of the works selected at the competition jointly organized by Japan Design Space Association and Japan Commercial Environmental Design Association as well as the one organized by Japan Sign Design Association.

Note: Credits of works are at the time of completion of the project.
